## GOVT. ENGINEERING COLLEGE TRICHUR

Government Engineering College Thrissur (GEC Thrissur), an ISO 9001: 2008 certified institution is one of the most prestigious and reputed technical education institutions in south India. The College was established in the year 1957. The foundation stone of the college Main Building was laid down by the then Hon. Prime Minister of India, Pandit Jawaharlal Nehru. The college campus spread over an area of more than 75 acres and is located at Ramavarmapuram, about 5 km from Thrissur city, 6 km from the Thrissur railway station and about 58 km from the Cochin Airport.

Since its inception, the college has shown enormous growth in all fronts and currently it is one of the most sought after college in engineering education with seven full fledged under

graduate programmes, six part-time undergraduate programmes, ten post graduate programmes and Ph.D. research programmes in Engineering. Besides the engineering programmes, the college also offers Undergraduate and Post Graduate programmes in Architecture and Post-graduate programme in Computer Applications (MCA).

The admission strength is increased from a meagre 120 during the inception of the college to 759 per year at present. The college is currently affiliated to the University of Calicut and APJ Abdul Kalam Technological University. The college is recognized by the All India Council for Technical Education (AICTE), Council of Architecture (COA) and undergraduate programmes are accredited by the National Board of Accreditation (NBA).
