Govt. Engineering College, Thrissur**

ABOUT THE DEPARTMENT

The Department of Electrical And Electronics Engineering has been in existence since the beginning of this institution. The objective of the department is to impart quality education in various areas of Electrical and Electronics Engineering. This department offers two M.Tech courses in Power System and Power Electronics with an intake of 18 students in each discipline. The department is also an approved Research centre of Calicut University with QIP status.

ABOUT THE COURSE

L^AT_EX is a document preparation system for high quality type setting. It is most often used for medium -to- large technical or scientific documents. But it can be used for almost any form of publishing. L^AT_EX contains features for typesetting journal articles, technical reports, books and slide presentations. It provides control over large documents containing sectioning, cross references, tables and figures. It helps in typesetting of complex mathematical formula, automatic generation of bibli-

ographies and indexes. The course is planned as a hands-on training programme with emphasis on enhancing the research document preparation skills.

COURSE CONTENTS

- ✎ Familiarizing L^AT_EX commands and environments
- ✎ Typesetting Mathematical formula
- ✎ Drawing Tables and Pictures
- ✎ Bibliography, Index and Glossary
- ✎ Making Presentations
- ✎ Working with some Examples (Question Papers, Articles, Books, Presentations etc.)

ELIGIBILITY

This is an interdisciplinary in-house workshop for the faculty members of Engineering College in Kerala.

Registration fee for external participants from TEQIP sponsored institutions is Rs. 3000/- and Rs. 600/- for participants from other institutions.
