Place: Signature of the Sponsoring authority

Office seal

#### **Important Dates**

Last date of receipt of application: September 30, 2016 Friday

October 3, 2016
Monday

Course duration
October 6- 8, 2016
Thursday to Saturday

Application form and more details of the STTP are available at <a href="https://www.gectcr.ac.in">www.gectcr.ac.in</a>

#### **About the Institute**

The Government Engineering College, Thrissur is a centre of technical excellence and is one of the most prestigious technical educational institutions in Kerala. The foundation stone of the college was laid by late Pandit Jawaharlal Nehru, the first Prime Minister of India, on 26<sup>th</sup> April 1958. The college campus is spread over an area of 75 acres and is located at Ramavarmapuram which is about 5 km from the heart of Thrissur Town and about 6 km from Thrissur Railway Station. The college is offering undergraduate courses in 8 branches of engineering and postgraduate and doctoral programme in many disciplines.

#### **About the Department**

The Department of Chemical Engineering set up in 1962, was the first of its kind in Kerala offering B.Tech degree in Chemical Engineering. The department is also offering a post graduate course in Process Control and is an approved Ph.D centre of the University of Calicut.

### **Course Objective**

Objective of this workshop is to empower faculty to be successful in preparing project proposals and gaining funds from FIST, DST, UGC, AICTE etc., for the development of the institution and research community. It is also aimed at in the development of meaningful cooperative relationships with funding agencies. The workshop also aims at enabling participants to prepare technical publications to submit to referred journals.

### **Course Content**

- \* Strategy for getting grant for a research project preparing application, presenting research plan, application contents other than the research plan
- \* Writing , formatting, and submitting grant application
- \* Addressing problems and concerns commonly cited by project reviewers, review of research project applications.
- \* How funding is decided, when application is approved, on funding, follow up actions etc.
- \* Presenting research paper in scientific and technical language

### **Resource Persons**

Experts in the area of Academic Research such as Professors from IIT, scientists from ISRO and academicians in this field will be handling the sessions.

## Eligibility

This is an interdisciplinary programme. Faculty members of AICTE approved Engineering Colleges are eligible to attend this programme.

### **Registration Fee**

Faculty from institutions other than GEC, Thrissur Rs. 1000/-

# Selection

The number of participants is limited to 20. Selection will be on first come first serve basis.

Send your applications in the address of the coordinator. An advanced scanned copy of the application may also be mailed.

### Accommodation

Registration fee does not include accommodation charges. If required, accommodation can be arranged on payment basis, based on availability.
