INSTITUTE PROFILE

Government Engineering College, Thrissur, is one of the most prestigious institutions in Kerala Started in 1957 offering fewer courses, GEC Thrissur has marched ahead and is one of the most sought after technical education centre in Kerala. Affiliated to University of Calicut , college campus is spread over an area of 75 acres and located at Ramavarmapuram, 5km from Thrissur town and 6km from Thrissur railway station.

DEPARTMENT PROFILE

Computer science department had been started in the year 1984. As such, this is one of the oldest departments in this field in Kerala and since its inception it has been keen in producing professionals of unmatched quality. Department is one of the premier department of GEC, Thrissur with almost cent percent placement for B.Tech students in reputed Tier-One companies. The department is currently offering B.Tech, M.Tech and MCA courses.

OBJECTIVE

Technologies have greatly influenced teaching methodologies in the recent times. Technological advancements in teaching methods, tools for teaching and evaluation have led the faculty to change the conventional ways of teaching. Theoretical analysis of effectiveness of teaching is the need of the hour. It is in this respect that the department of Computer Science and Engg. is conducting a workshop on "Outcome Based Education".

The workshop is more inclined towards subjects and labs involving algorithms, programming and other computational methodologies.

COURSE CONTENTS

- Challenges in setting objectives for computational subjects
- Computational subjects and setting of Objectives
- Attainment levels
- Expectations from IT industry about employability of students

RESOURCE PERSONS

Prof. M Josemartin, RIT Kottayam
