

## PUBLICATIONS 2010-2011

SI No	Name of author/s	Title of work	
<b>INTERNATIONAL JOURNALS (0)</b>			<b>Name of publication</b>
<b>NATIONAL JOURNALS (1)</b>			<b>Name of publication</b>
1	Mohammed- Aslam M.A, Kondoh A., Mohamed Rafeekh P. and Manoharan A. N.	Evaluating Groundwater Potential of a Hard-rock Aquifer Using Remote Sensing and Geophysics	Journal of Spatial Hydrology, Vol.10, No.2, Fall 2010
<b>INTERNATIONAL CONFERENCE (2)</b>			<b>Name of conference</b>
1	S. Arun, D. Menon, A. Meher Prasad	Influence of Approach Road Roughness on Dynamic Response of Highway Bridges	International Conference on Advances in Materials and Techniques for Infrastructure Development(AMTID 2011), NIT Calicut, India, 22-24 June 2011
2	Meera V.	Comparison of SO <sub>2</sub> Removal efficiency of impregnated activated carbon and virgin activated carbon	Proceedings of Second International Conference on Materials for Future, Feb2011, Vol 1, pp241-244
<b>NATIONAL CONFERENCE (3)</b>			<b>Name of conference</b>
1	Arun S., Devdas Menon and Meher Prasad A.	Modelling Aspects of High Speed Railway Bridges for Capturing Dynamic Effects Induced by Train Movement	Seventh Structural Engineering Convention (SEC 2010); Chennai, 8-10, Dec 2010.
2	Meera V. and Megha M.	Various low-cost water treatment methods for Domestic Use	National Seminar on Recent Emerging Advances in Civil Engineering and Technology, REACT 2011, Vidya academy of Science and Technology, Thalakkotukara, Thrissur. 5-10(mar 2011)
3	Anjali P. Sasidharan and Meera V.	Performance Evaluation of Down Flow Hanging Sponge Biotower in Treating Grey Water by Varying Influent C/N Ratio	National Seminar on Recent Emerging Advances in Civil Engineering and Technology, REACT 2011, Vidya academy of Science and Technology, Thalakkotukara, Thrissur. 5-10(mar 2011)
