

## INSTRUCTION TO STUDENTS

1. All the students must enter the college only through the Thermal Screening Counters near the main gate .Students are instructed to obey the directions from the screening counters strictly. Also they are directed to collect Tokens from counters and to handover the same to the invigilators.
2. All Student/Guardian should wear mask (cloth masks/surgical) at their own cost. Those with minor flu like symptoms/coming from Quarantine /other states should wear triple layer mask.
3. Those with minor flu like symptoms /coming from Quarantine /other states/ Containment zones should report the office in advance; at least 2 days before the commencement of examination.
4. All the staff/student/guardian should do hand sanitizing with liquid soap and Water /hand sanitizer wherever necessary.
5. Social distance must be maintained in the center throughout the day.
6. No students shall be allowed to exit the campus once they are inside, until the completion of the day's exam.
