

# ENVIRONMENTAL ENGINEERING FACULTY LIST

Dr. V. Meera

**Professor**

Field of Expertise: Environmental Engineering  
Professional Experience: 23 years in teaching and  
8 years of Industry  
Research Interests: Water & Waste Water  
Engineering

Dr. Sosamony K.J

**Associate Professor**

Field of Expertise: Environmental Engineering  
Professional Experience: 23 years in teaching and  
2 years of Industry  
Research Interests: Water & Waste Water  
Engineering

Prof. Anand Lali Neera

**Associate Professor**

Field of Expertise: Environmental Engineering  
Professional Experience: 23 years in teaching  
Research Interests: Water & Waste Water Treatment

Prof. Bindu G

**Associate Professor**

Field of Expertise: Environmental Engineering  
Professional Experience: 23 years in teaching  
Research Interests: Bioremediation

Prof. Meena John M.

**Associate Professor**

Field of Expertise: Environmental Engineering  
Professional Experience: 23 years in teaching and  
1 year Industry

Prof. Bindu A G

**Associate Professor**

Field of Expertise: Environmental Engineering  
Professional Experience: 18 years in teaching  
Research Interests: Environmental forensics,  
Ground water contamination

Prof. Manu Devassy

**Assistant Professor**

Field of Expertise: Environmental Engineering  
Professional Experience: 4 years in teaching and  
23 years of Industry  
Research Interests: Bio-chemical Oxygen demand
