

Greetings from Mu Sigma.

Please find below the details for the process.

**Imp: We would require a complete Public Address system (speakers with amplifier, mic, projector). In case this facility is not available request you to hire the cost of which will be reimbursed by Mu Sigma.**

**11<sup>th</sup> October :-**

- PPT – 9.30 AM - Auditorium. The presentation would be given to all test shortlisted candidates. Please make sure the auditorium accommodates all the shortlisted candidates. In case the auditorium does not have the capacity, kindly make arrangements in 2 halls
- Problem Solving round Case Study - 45 minutes
- Group Discussion and Video Synthesis – 1 hour - we will need 5 closed rooms for conducting Group Discussion
- Personal Interview – Final round – 5 rooms

There are 7 members in the panel.
