

# ICT ACADEMY OF KERALA

## PLACEMENT DRIVE 2015

### CANDIDATURE DECLARATION FORM

1. The students should verify the data provided on their behalf by their college, is accurate in all aspects. Any deliberate attempt to provide false information would lead to disqualification at any stage.
2. ICT Academy Campus drive process is only one of the selection criteria for a student's candidature in the selection process of the partnering Companies.
3. Each Company will have its own selection process (aptitude test, interview, GD or any other) and ICT Academy will not have any influence on the conduct of their process, selection process or the final selection list of the individual Companies
4. Each student is required to conduct enough background checks on the Companies, their job profile and work environment and take a suitable decision before appearing for the ICT Academy Campus drive.
5. The selection of a Candidate to a Company's candidature list is done by ICT Academy based on the particular Company's recruitment requirements and also by the student's performance in ICT Academy test. Student or the institution will not have the option to choose the partner Company.
6. There will be no liability on ICT Academy regarding the selection or rejection of a Student's candidature for the ICT Academy Campus Drive.
7. Post the final selection list published by ICT Academy or the partner Company, Students/Institutions will have to direct deal with participating Companies on clarifications/question on the offer letter or confirmation letter issued by the Company.
8. ICT Academy doesn't charge any student or any Companies for the Drive.
