The time for the event will be from 1000 AM on the said date till the finish of the interview.

The board of Officers will accept applications on the spot, in case a pre final student is interested in pursuing the scheme and join the Army.

The students must bring all the relevant documents and certificates, as also the certificates highlighting any special achievement.

Colleges are requested to forward the mail to all students in their institution. The Students should also give the information to fellow students for maximum coverage.
