Agreement.

I am agreed to do the work as per the terms and conditions given below

Terms and Conditions.

1. The total capacity of the machine is 28TON. (Ceiling suspended Ductable AC's with One 17.0 TR Ceiling suspended Ductable AC's with Twin 8.5 TR Outdoor unit and One - 11.0 TR Ceiling suspended Ductable AC's with Twin 5.5 TR Outdoor unit (R-410A))
2. The contractor has to do servicing of complete machine. Cost of parts and replacement including taxes must be included within the quotation (comprehensive servicing). Dry servicing, water serving and refrigerant re-filling to be done wherever necessary. The pressure test must be done before refilling the refrigerant. Only genuine parts to be used for replacement as per original specification of the machine.
3. College will not provide any Ladders, scaffold or any safety equipment required for servicing.
4. During the service of Air-Conditioners, the Contractor should take sufficient measures for the safety of the technicians and workers engaged by him in such maintenance activities and the Contractor himself only shall be responsible for any loss or damage caused to him or the people deputed by him in this regard.
5. During the course of service of the Air-Conditioners any damages or losses that may occur to the Air-Conditioning units or any other equipments or assets of Govt. Engineering College Thrissur due to careless/improper handling or faulty/improper adjustments, the Contractor shall be responsible for the same and he will be bound to compensate for the losses suffered to the college in that respect.
6. Servicing must be completed within two weeks after signing the contract.
7. Before performing the service, the Contractor should take due permission from the concerned section in charge/HOD of the department and demonstrate the working of the Air-Conditioning units to such person after the servicing.
8. While performing the service, the contractor shall take due consent from the Principal or his authorized person before making any replacement of parts/major systems.
9. Minimum three months guarantee must be given for refrigerant in case of gas refilling.
10. The amount will be paid only after the satisfactory completion of servicing and certification by the person in-charge of a/c maintenance.
11. The payment will be made only after satisfactory completion of the work
12. Contractors are allowed to inspect the condition of machine before quoting the bid.

Signature of the contractor/supplier.
