Organised by

**Department of Civil Engineering
Govt. Engineering College, Thrissur – 680 009**

About the institution

Government Engineering College, Thrissur is one of the leading technical institutions in the state of Kerala. Alumni of the institute are wide spread throughout the globe and are bringing laurels to the institute through their exemplary performance. The institution is celebrating its diamond jubilee during the current academic year. The college has a lush green campus which spreads over an area of 75 acres at Ramavarampuram, and is located at a distance of 6 km from Thrissur railway station/bus stand and 60km from Cochin International Airport. The college is affiliated to the APJ Abdul Kalam Technological University and runs 8 undergraduate and 12 post-graduate programmes. Ph.D programme is also offered in the Institution.

About the Department

The Department of Civil Engineering came into existence at the very inception of the college, and has been instrumental in moulding the students into eminent engineers. Apart from the B.Tech programme in Civil Engineering, the department offers M. Tech programmes in Environmental Engineering and Water resources & Hydro-informatics. The department got accredited by the National Board of Accreditation (NBA) in 2017 and it is an approved research centre of the University of Calicut and APJ Abdul Kalam Technological University.

About the course

- To give an overall idea on various aspects relevant to enhance the leadership qualities of engineering college teachers.
- To empower engineering college teachers on staff and student management and preparation of research proposals.

Course contents

Leadership empowerment for quality technical education
