

No.CA/03/2025

Government Engineering College,
Thrissur, Dated:13/02/2025.

NOTICE

Health officials have informed serious concern over growing cases of chicken pox among inmates of our college hostels. As an urgent step to prevent the spreading, regular class work is suspended on 13th February afternoon.

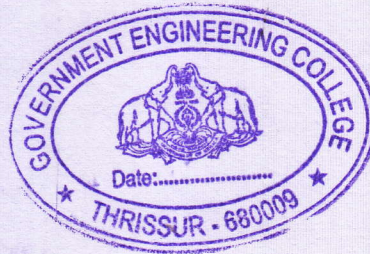

All hostel students are required to vacate the hostel by tomorrow (14th February) afternoon.

Regular class work will be in online mode from 14th February to 21st February.

First series tests for S2 scheduled from 24th February will be conducted in offline mode as per the already published schedule.
